ELISE SAID,

"We had the pleasure of having Sonia for our wedding day.

Not only was she our celebrant but also MC.

The process was stress free, the day was beyond beautiful and this is all thanks to Sonia.

Sonia is kind with a very warm and welcoming personality who is truly amazing.

I highly recommend her to anyone getting married and the services she provides as you won't regret any of it."

ESTHER SAID,

"A massive thank you to Sonia!

Our ceremony turned out so beautiful and full of love thanks to her talents and guidance, and serenity that she brought with her on the day.

From meeting Sonia for the first time, directing us during our rehearsal and finally, our wedding day, she kept us very calm and had everyone in our ceremony engaged.

She has a very caring and nurturing nature which we appreciate and felt throughout our journey with her. Sonia is a true professional, organised, communicative and reliable. She constantly made sure we were all well and that things were going according to plan leading up to our wedding. She chose the perfect words and scriptures that suited us as a couple for our religious ceremony, and she delivered it with so much warmth. We cannot thank Sonia enough for her amazing skills and never-ending support, and for being a part of our very special day – Sonia, you are wonderful, and we are so grateful for you!"

”WENT ABOVE AND BEYOND”

Lenna Elise said: "Sonia was Amazing!

Made my entire wedding experience a breeze.

I struggled to find a venue with the time I had and she kindly offered to assist and found the perfect place for us as well as blessing the day for us in front of all our closest family members.

I would highly recommend Sonia, whether you are after something traditional or a simple modern wedding ceremony she will deliver and is absolutely worth it.

She walked us through step by step and we were guaranteed an amazing ceremony. On the day she was welcoming to all our family and really set the vibe for everyone and made sure I had everything I needed for the day.

She truly goes above and beyond!

And I had nothing but great and kind feedback from everyone on the day.

Definitely 5 stars and would recommend her to anyone. She's great at what she does and will give you the time of day whenever needed, communication was essential and she was always keeping tabs! Thank you Sonia you're amazing!"
